

# **Organisation of Work**

The aim of this course is to provide you with an understanding of the organisation of work, organisational structures and the organisation of teams.

You will also gain knowledge of various hierarchy structures in organisations, team roles according to Belbin's team role model, and the importance of communication and information flow.

Furthermore, you will gain an understanding of the concept and benefits of value-adding processes.

Sections include:

- Introduction to Organisation of Work
- Organisation Structures
- Team Organisation
- Communication and Information Flow
- Value-Adding Process of Work
