

ORGANISATIONAL ENVIRONMENT

The aim of this course is to provide you with an understanding of organisational environment, both internal and external, and appreciation of the importance of organisations' awareness of internal and external forces.

You will gain knowledge of the various organisational departments and their functions, how organisational environment is monitored, what a SWOT analysis entails.

Sections include:

- Introduction to Organisational Environment
- Internal Environment
- External Environment
- Organisational Departments and Functions
- Monitoring the Organisational Environment
- Organisational Culture
